LOCAL!

Mrs Carlton has shown us how to
THINK GLOBAL AND ACT LOCAL.

To THINK GLOBAL AND ACT LOCAL

it is up to all of us to do our bit to help reduce the amount of waste.

[\(1 Corinthians 4:2](#) *Moreover, it is required of stewards that they be found trustworthy.)*

In the Bible it says that when looking after the world we must be trustworthy. That means that each one of us must remember to put the rubbish in the right place IN CLASS, in the hall and at home!

BIN WEIGHING COMPETITION

- As we wish to reduce the amount of waste going to landfill, this year the bin weighing competition will weigh the amount of waste going in the black bins.
- The class that wins will be the class that reuses or recycles the most items and so **REDUCES** the amount of waste going to landfill.

Our school eco motto is:

Think Global Act Local!
