Family – name all the people in your family who are special to you.

How does your family help you?

What makes them a hero to you?

How do you help in your home?

Why am I special?

What makes you special? Think of what you are good at. Maybe you are good at drawing or making friends?

Who thinks you are special? Can you name people who love you and enjoy being with you? What is it they love about you?

What are feelings?

How many feelings can you name? Happy, sad, excited, angry, embarrassed etc.

What can happen to make you have these different feelings?

How can you tell how other people, such as your friends, are feeling?

Key Vocabulary:

Teacher - a teacher plans your work and helps you to learn new things such as reading, writing, maths and PE.

Teaching assistant - a teaching assistant helps you to learn new things and they help your teacher.

School – a place we go to learn new things.

Family - a group of one or more parents and their children living together as a unit.

Feelings – How we feel emotionally.
