

WASTE NOT
WANT NOT

Waste not Want not!
Don't let this world rot.
Waste not Want not!
The world is getting
much too hot.

Waste not Want not!
Reuse what we've got.
Waste not Want not!
The world is trapped in
a tangled knot.

**WASTE NOT
WANT NOT**

Waste not Want not!
Turn your back on the
plastic pot.

Waste not Want not!
Now's the time for a
boycott!

**WASTE NOT
WANT NOT**

Waste not Want not!
We need to do something –
but what?

Waste not Want not!
We need to use the time
we've got.
