# CHOICES

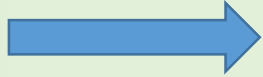

What choices have you made today?

Some big  
Some small

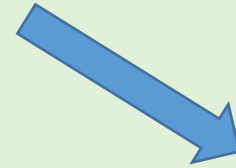

When we want to eat a treat of a chocolate bar

And we choose a Fairtrade bar we make a difference

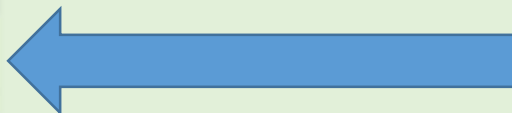

First some de chocolate

Secondly the producers are paid fairly

Fair trade makes a huge difference, helping to fight poverty, support communities and making a better world

**Fairtrade food fights poverty**

**Buy**  
from Oxfam  
100% of Oxfam's profit goes to overcome poverty around the world.

All of these items are examples of everyday things that we use or need that can be Fairtrade. Each time we buy Fairtrade we support the farmers, their families and their communities.

# CHOOSE THE WORLD YOU WANT

During our sustainability day we are going to thinking more about the world we want and the small actions we can take to help us build the world we want.

You Eco council and worship councillors have some questions to ask your class.

If not you,  
who?

If not now,  
when?

**Dear God  
Go in Peace  
Go in Joy  
Go in Love  
Amen**
